VEGAN GUESTS

Biscoff cheesecake, fruit crumble, tofu chocolate brownie

HOUSE DESIGNS

From Sally with Love Stationery

Inside this guide you will find information about the suites available, details about samples, timescales, the process, how to book and prices. If you have any further questions I would love to hear from you!

SAMPLES

Samples of any of the designs in the budget range can be ordered at a cost of £5 per pack (UK price), £7.50 (international price). Please note that to reduce wastage I only send you samples of the stationery you are interested in. Simply send me email or message, or call me letting me know which design you are interested in, and your postal address. I'll send you an invoice and you'll find your sample pack on your door step shortly after.

WHAT STATIONERY IS AVAILABLE

For each of the designs there are the following stationery items available. If you are interested in something else, please get in touch, I am very happy to add more items to the list.

- Save the dates
- Invitations (main invite, more info sheet, RSVP)
- Table plan
- Table names
- Place names
- Menus
- Welcome signs
- Orders of service
- Orders of the day (also known as a timeline or program)
- Children's activity packs
- Thank you cards

THE PROCESS

For any stationery, I strongly recommend getting in touch at least 3-6 months before you wish to start the design process to book. You don't need to have all the details in place yet but booking is essential.

FROM BOOKING TO RECEIVING STATIONERY

Save the dates and invitations:	2 - 4 weeks
On the day: and	8 - 16 weeks (depending on quantity of stationery illustration or painting options chosen)

HOW TO ORDER

1. Booking

Simply get in touch and let me know which design you are interested in, and how many you will need of each stationery item. For save the dates, let me know how many households will be coming to your wedding. For your invitations, let me know how many households will be coming to your day and evening (or weekend and day/evening). I will then send you a quote. If you are happy with this just let me know and then I can send your deposit invoice, which is 50% of the total quote, to secure your booking. I will also send you the date I will start designing for you and my terms and conditions to sign. I will also send you a video showing you how to use Trello, the an organisation app I use to keep trac, proof and organise the information needed when designing. Rest assured, it's very easy to use!

3. Designing

For house designs, I will send you up to 3 proofs so we can make your stationery perfect for your day. After the third proof you will be asked to proofread all your stationery before we go to print, to make sure everything is correct and there are no more edits required. It's very important to thoroughly go through this list to make sure your stationery is exactly how you want it; changes after this will be your cost and responsibility. If at this stage, if your numbers have changed I will re-quote so you know the final cost.

4. Printing

Just before we go to print I will send you your final invoice, which will have your deposit deducted from it. Printing normally takes 1 week and I will be in touch once I have a confirmed date for delivery.

5. Delivery

Delivery can take up to a week but normally 2-3 days in the UK. Sending stationery abroad will take longer and this can be discussed at the quoting stage. Your stationery will be tracked, insured and have proof of arrival. For local customers there is the option to collect your stationery from me in Frome.

PRICES

Prices are subject to change, and up-to-date prices can be requested at any point in the process.

FLORAL SUNSET RANGE

Please note that due to it's arched shape this range is more expensive to print. However, the design can be printed without the arched edge. Please email me for more information.
